

SPOTLUX 4

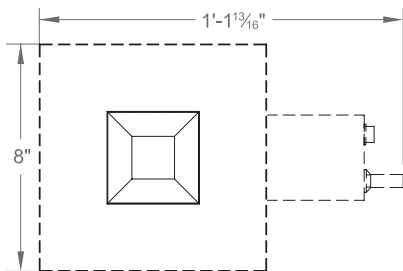

SQUARE PYRAMID

FOR GYPSUM BOARD CEILINGS

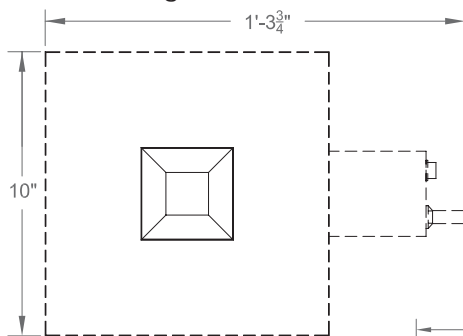

SPOTLUX 4 is a 4" by 4" square aperture incandescent MR16 adjustable downlight or wallwash fixture designed to provide an elegant form of recessed illumination. Square pyramid trim is available in various finishes, and provides low source brightness in combination with the internal lampholder snoot and clear solite lens. It is designed for flangeless installation in gypsum board ceilings. Rapid relamping is made possible by flipping the lamp carriage down below the ceiling. Fixed downlight versions are also available.

REFLECTED PLAN VIEWS:

50W Max 8"x8" Housing

65W Max 10"x10" Housing

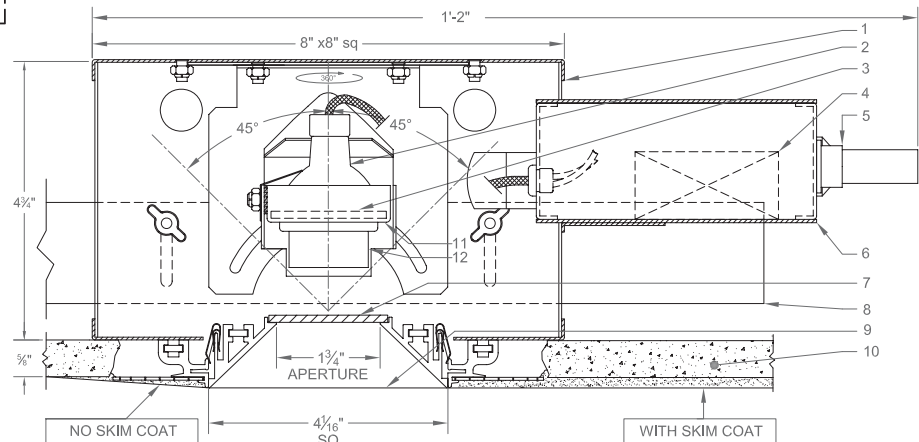

NOTES:

1. 20 GA steel housing
2. 12V MR16 lamp 50W max (by others)
